

**PROFILE COLOUR COMPLEMENTS - TECO & LUXWRAP**

Please note that exact matches are almost impossible unless exact paper is used - These colours are considered as best complementary colours  
 Personal Preference may vary - Please note that teco and luxwrap differ slightly due to different paper  
 Luxwrap ONLY AVAILABLE IN SKIRTING, QUADS & SCOTIA  
 PLEASE NOTE OLD DCD LUXWRAP IS NOT INCLUDED - PLEASE ALIGN TO PREVIOUS SHEETS FOR DCD

PLEASE NOTE THIS IS SEPCIFICALLY BASED ON THE TECO FOIL COLOURS - Please note that Luxwrap and Tecofoil are entirely different products and have distinct differences in Texture and finish and in some cases have colour variation between the versions  
Although we have worked to match Teco and Lux colours the colour WHEAT has a large variance between Luxwrap and tecofoil versions - please refer to physical Samples
